

ACTS at Little Flower Catholic Parish

...ACTS is a time that you deserve for yourself". *The weekend will not disappoint you or feel like a waste of your time.* We give our time to so many others and activities, but giving this time to yourself will give you something unexpected.

...We both found it to be *a heartwarming and spiritual experience!*

...I came back from ACT's with a renewed feeling about prayer. *I find that I pray more often* and it is a more central part of me and my day.

...The women that attended ACTS with me have become *a close circle* even if they live far away. I know that I have others praying for me as I pray for them. That is so reassuring to me.

...The ACTS retreat allowed me to see that I have special gifts, that I can make a difference, that I can feel I am worthwhile and *that I have so much that I can give to others.* Isn't that what God asks of us?

...I love attending a good retreat and ACTS is surely one of the best I have had the opportunity to attend. Not only did I receive the grace of a closer relationship with the Holy Trinity, *I also learned so much about my FAITH and MYSELF.*

...ACTS is more than a retreat; it is a renewal of faith. It is a building of a new family of sisters and brothers who want to share their journey with God and bring others to their walk of love. *ACTS brothers and sisters can be found where you least expect them.*
