

Little Flower Parish has the distinction of being the **first parish in the state of Ohio** to introduce the ACTS parish based retreat. More than a simple retreat “program”, ACTS is designed to implement the **New Evangelization** in a way that transforms parishes into **intentional disciples**. Through a **weekend retreat** (men’s and women’s) and through **small faith communities**, parishioners are led to live their faith more intentionally on a personal and community level. Founded in San Antonio, TX in 1987, ACTS is now a national and international movement.

ACTS is ...

- a **parish-based** retreat
- an opportunity to **renew your spirituality**, to **strengthen your faith** and its application in your daily life, and to **build lasting friendships**.
- about nurturing a **community of intentional disciples**.
- structured on the foundation of Adoration, Community, Theology and Service.
- an opportunity to experience how our daily lives are fundamentally impacted by the **Word and Sacraments** of our faith.

And... What is everyone saying about it?

- *I came back from ACT's with a renewed feeling about prayer. I find that **I pray more often** and it is a more central part of me and my day.*
- *The women that attended ACTS with me have become a close circle even if they live far away. I know that **I have others praying for me as I pray for them**. That is so reassuring to me.*
- *"A.C.T.S is more than a retreat; it is a **renewal of faith**. It is a building of a new family of sisters and brothers who want to share their journey with God and bring others to their walk of love. A.C.T.S brothers and sisters can be found where you least expect them."*
- *The ACTS retreat allowed me to see that I have special gifts, that **I can make a difference**, that I can feel I am worthwhile, and that I have so much that I can give to others. Isn't that what God asks of us?*
- *I love attending a good retreat and ACTS is surely one of the best I have had the opportunity to attend. Not only did I receive the grace of a closer relationship with the Holy Trinity, **I also learned so much about my FAITH and MYSELF**.*
