Atrium I- Deb Kelleher

Dear Parents,

The Atrium was busy with the children exploring and making new friends. My goal was to have the children feel safe, loved, and happy in their Atrium. We practiced this prayer:

My First Words to God: As soon as I awake I say: Dear God, I thank Thee for this day. Wherever I go, whatever I do and see, I want to spend this day entirely with thee. Please, dear God, come into my heart. Our day together is already a start- Bless me ever and ever again!

I love Thee, dearest God. Amen.

Consider with your child:

- Practice praying with your child this week from your heart.
- Practice talking to God out loud.

This week:

Draw a picture of yourself praying and God listening.

Note from Deb: I love the children's art! Send me a picture of their drawing if you think of it!
