Atrium II 2nd Grade- Deb Kelleher

Dear Parents,

Today the children explored their atrium and felt loved, safe, and happy, and they also made new friends! We talked about 1st Reconciliation. One of our students gave the other children advice: “Don’t be nervous”, “Be yourself”, and “Have fun!”

We have a lovely group of children who are full of wonder. Advent preparation were discussed. They are wondering about what they can do to get ready for Jesus’ Birthday!

Consider with your child:

- How do we help ourselves prepare for advent?
- Why do we prepare for Advent?

This week:

The prayer table is a great place to start. They should begin to gather items for advent such as a purple cloth or an advent wreath.

November 29th is the first day of Advent.
