Catechesis of the Good Shepherd at Little Flower

THIS WEEK IN THE ATRIUM

This week we concluded our studies of the prophets and advent. We discussed the faith of the Shepherds as they heard the Angel announce the birth of our Lord.

As we move into the Christmas Season, remember the words of the prophets and how they helped to prepare us for the coming of our Lord. Our next presentation will start the beginning of our study of the virtues.

Consider with your Child:

How can we develop a listening heart to hear the word of God like the prophets?

This Week:

Look at the changes in the church as we move from Advent to Christmas. How does the church look different?
