Catechesis of the Good Shepherd at Little Flower

THIS WEEK IN THE ATRIUM

The children finished big projects this week: The Books of the Bible and Altar Work. They are also working on the City of Jerusalem maps. They are learning about the Holy City and continue to discover all the important events that took place there. Here are a few examples:

Consider with your Child:

- How many books of the Bible are there?
- Why did the people of Jerusalem make a wall around their city?

This Week:

- Find the book of Luke in the Bible.
- Think about where you would go in the City of Jerusalem?
