## THIS WEEK IN THE ATRIUM

On Sunday we recalled the birth of Jesus and explored his Jewish roots through reading about Mary and Joseph presenting him in the temple in Jerusalem. We discovered that the temple is a special place and learned of God's promise to Simeon. We contemplated the discovery of the Messiah as an infant and the role of the Holy Spirit in the lives of Anna and Simeon.

### This Week:

Plan to enter into the presence of Jesus at weekend Mass or at the Holy Hour for Life on Wednesday from 6-7pm. Remembering how Simeon and Anna reacted (with abundant joy and adoration!), pay special attention to how you respond to being in His Presence.

### Consider with your Child:

We saw how Simeon and Anna responded to coming into the presence of baby Jesus.

- When and where do we come into the presence of Jesus?
- How do we respond when we are in His Presence?
