

Catechesis  
of the  
Good Shepherd

# PARENT GUIDE

*Catechesis of the Good Shepherd at Little Flower*

## THIS WEEK IN THE ATRIUM

I presented the Presence of the Good Shepherd in the Eucharist.

I prepared a booklet for them that explains the true presence of Jesus in the Eucharist very well. For the children to understand this Sacrament it will take some time, but they are on their way. The sheepfold represents the Altar. The Good shepherd is God. We talked about how this is true all over the world. Our body is a temple and when we receive the Eucharist, Jesus is in us. That really interested them.

### Consider with your Child:

What are you most excited  
about for your First Holy  
Communion?

### This Week:

Draw a picture of yourself  
after receiving the Eucharist  
when you have Jesus in your  
heart.
